One of the most fantastic corner ground floor apartments in the Resort, not only for its location, 2 min. to the Club House, but views, luminosity, orientation and improvements done. This is one of the popular round wall design, which means a much bigger size kitchen to the rest and an extra back terrace space. The property has been improved to its most, done with a delicate taste, and in the best possible way, taking care of every detail. Entering the property, you find an open plan kitchen is on the left, with a selection of fitted
